CHURCH OF ENGLAND PRIMARY SCHOOLS

16 October 2020

Dear Parents/Carers,

After a brief consultation with a range of stakeholders, I am pleased to be able to update you with our temporary COVID-19 uniform changes ready for the winter months.

There are no huge changes, and the changes made are to update the permitted styles. Please can I remind you that admission to our schools is to accept our uniform policy. If you have any problems obtaining uniform through stock issues or financial difficulties, **please** let us know and we will do our best to help.

Our uniform is available on line at: <http://www.brigade.uk.com>

There is a slight delay in delivery, so I suggest you order now for after half term.

In essence, the key uniform changes/reminders for both schools are:

- Brigade Fleeces will now be allowed to be worn in class on top of school jumpers/cardigans. They are warm, fleecy, cosy and washable - I have one!
- We are suggesting a 'skin'/rash vest is purchased to be worn under school shirts - these can be black or white. They are warmer than T shirts. I have been led to believe that many high street stores/supermarkets currently have some reasonable offers.
- A reminder that grey/black leggings can be worn instead of tights (or as well as!), but these must be with a skirt/skort or dress, and not as a substitute for trousers.
- Black, plain flat boots can be worn (but please not DOC Martin types with the extra hard toe caps).

I would also like to remind everyone that watches should be small and simple and those that enable photos/internet access are not permitted. Large fashion watches are not appropriate and earrings must be small gold/silver studs only. Hair accessories need to be in school colours and not too large please. Thank you.

Please also double check that your child's shoes are waterproof as well as their coats.

This might also be a good time to remind you of the need for FULL PE kit to be in school at all times. If your child is wearing their PE as an extra jumper, they do need one in their PE as a spare, as when they do PE they may get wet. Their kit needs to be brought in on Monday and we will send it home on Friday.

Please remember that all items of school uniform need to be clearly named.

I would like to thank you for your continued support with uniform - our children look really smart and this is having a positive impact on their work ethic.

Kind regards

Mrs Eveleigh
